To.

The Officer in charge
Mysore-South Canara boundary Settlement.

Sir,

I most respectfully beg leave to bring the following few lines to your kind consideration and recommendation.

I am placed on deputation on the same pay I was getting in Bangalore viz. Rs. 33/- plus a small deputation allowance of 1/5th of my pay viz Rs. 6-9-7, whereas the clerk of the Madras Representative who was getting Rs. 35/-, has, in consideration of the heavy expenses that he has to incur in procuring provisions etc. during the period of his work here, been granted Rs. 60/- per mensem under G.O. Misc. 2723 (Rev) dated 7-12-1921.

I therefore humbly request that in view of the heavy expenses I too have been incurring, I may kindly be recommended for the same amount of pay the Madras Representative's clerk gets during the period of my deputation.

For which act of kindness I shall ever be grateful.

I beg to remain
Sir,
Your most obedient servant
D Anchiappan.

Forwarded to the Secretary to the Government of Madras (Revenue) Department.

The above application is strongly recommended in consideration of heavy expenses incurred in procuring the ordinary necessities of life in the Malnad Tracts. The ordinary deputation allowance of 1/5 of salary is not considered adequate to meet the increased expenditure. J. D. Morlow 24.5 upds
22-2-22. Mysore-South Kanara Bdy Settlement

To

The Officer in Charge of the
Mysore Kanara Boundary Settlement

Sir,

I beg respectfully to state that I am on deputation to work under you during the settlement of the Mysore South Kanara Boundary.

In this connection I beg to submit that your Honor's predecessor in Office Mr. J.O.B. Donaghey who was satisfied with my hard and honest work in these difficult, inaccessible and mountainous jungles in the last season, was pleased to secure my deputation again this season.

In my capacity as a Forester I am only confined to a section charge whereas now that I am on deputation I have to travel in these unhealthy and uninhabited jungles infested with leeches and wild animals from morning till sunset regardless of my health.

The enormous expenses I have to incur in obtaining provisions which are bare necessaries of life, not to mention of the extremely difficult nature of the Country coupled with the immense physical labour and exposure involved in these malnad tracts urge me to represent before you the fact that the scanty pay of Rs 35/- which I get as a Forester is hardly sufficient to cover my expenses. I have to incur heavy additional expenses in these parts to obtain provisions from distant places and being aware of all these facts your Honor's predecessor in Office was graciously pleased to assure me that my hard case will be sympathetically considered and that my pay will be adequately raised during the period of my deputation.

I therefore pray that in consideration of my above representations I may be recommended for such increase of pay as you deem adequate.

I

I beg to remain
Sir
Your most obedient Servant.

A. Rodrigues
Forester on Deputation.

Camp: Kotagehara,
23rd February 1922

Forwarded to the Secretary to the Government (Revenue Department), Madras.

Recommended that Forester Rodrigues be granted an increase of Rs 15/- so as to bring his salary up to Rs 50/- per mensem on account of the high prices of foodstuffs prevailing in the Malnad.

Survey - Boundary - Mysore South Kanara - Settlement - Establishment - Survey of India Officer - Letter from the Survey of India Officer, No.122, dated 23rd February 1922.

Endorsement No. 561-E/22-1, dated the 10th March 1922.

Referred to the Board of Revenue for remarks.

2. It is observed that during the last field season only a surveyor and 14 menials were employed on the work, while in the present season a surveyor, a clerk, a forester and 24 menials have been employed. The Board is requested to report, in consultation with the Survey of India Officer, on the necessity for the increased staff employed this season.

3. The Board is requested to forward its reply not later than 1st April 1922.

To

The Secretary to the Government of Madras,
Revenue Department,

Subject:-Mysore-South Kanara Boundary Settlement.
Reference:-G.O.No.Mis.2723 dated the 7th December 1921.

I enclose herein a copy of letter No. 149 dated the 19th March 1922 from Mr. V.W.Morton, on deputation and request that sanction may be accorded to continue work up to end of May 1922 inclusive of preparation of necessary maps and report. It would appear from Mr. Morton's letter that not even half the total length of the boundary has been demarcated up to date, since however the most difficult portion has been done, it is hoped that one more field season will complete the work.

Lt-Col.R.E.

Letter No. 149 dated the 19th March 1922 from Mr.V.W. Morton, Extra Assistant Superintendent, on deputation, Mysore-South Kanara Boundary Settlement to the Superintendent Southern Circle.

Subject:-Extension of period of deputation.
Reference:-Southern Circle Order No. 402, dated 5th January 1922.

I have the honour to request that sanction may be obtained from the Surveyor General for the extension of the period of deputation for a further 1½ months of myself, two Lower Subordinates and 10 menials.

Last season the field work was closed about the 23rd April, when the rains made it impossible to work later and the party actually broke up at Bangalore about the 15th May. I propose to close work this season about the 25th April, by which time I hope to have completed the identification and demarcation of the boundary as far as Kudre Mukh. The total length of boundary completed during the field seasons 1920-21 and 1921-22 would amount to 77 miles. There still remains about 130 miles of boundary to be gone over and in this connection I would like to point out that the Mysore-South Kanara Boundary Settlement will run into yet another field season, the most difficult portion will have been already completed.

I submit Mr. Morton's letter No. 158 dated 27th March 1922 in reply to the above reference. His predecessor Mr. Donaghey appears to have employed the additional staff of one forester, one clerk and five menials. Mr. Morton has fully explained the necessity for the increased staff and I agree with him. I accordingly request that the Board may be pleased to recommend to Government for the sanction of the increased staff already employed.

The Collector

Reference :- No. 6860-21-V2 dated the 16th March 1922.

Subject :- Increased Establishment- Season 1921-1922.

Sir,

I have the honour to acknowledge receipt of the "Proceedings of the Madras Board of Revenue No. G. 670/22/4 forwarded under your endorsement dated the 16th March 1922 and also your reminder dated the 22nd March 1922 both of which were received only today.

In reply I beg to state that the detailed Statement of establishment submitted to the Secretary to the Government of Madras, Revenue Department under my No. 122 dated the 23rd February 1922 contained the names of members brought out to the field by my predecessor Mr. T. O'B. Donaghey at the commencement of this Season.

The actual number borne on the Acquittance Rolls of my establishment consist of three Lower Subordinates (1. Surveyor, 1. Forester, 1. Clerk) and 19 menials. Forester Rodrigues was placed on special duty last year with the boundary settlement at Mr. Donaghey's request but as the area lay within his usual beat, his pay

etc was met by the Forest Department. His knowledge of the boundary and his services were of such great assistance that it was deemed advisable to request the District Forest officer South Mangalore to again place him on Special duty on the understanding that his name would be brought on to this establishment. Since this season's work took him beyond his jurisdiction it would have been unfair to expect the Forest Department to meet the expenditure incurred on his behalf.

Mr. Donaghey found it very difficult last season to personally attend to all official correspondence, maintain cooly registers and make payments daily for local labour, in addition to his field work on the boundary, without a clerk and so obtained sanction from the Surveyor General to place a man on deputation with the boundary settlement. I may mention in support of my request for a clerk that both the Mysore and Madras representatives have each been given a man, when the bulk of the work, correspondence, accounts etc. devolve upon the Survey Officer.

The services of a clerk and Forester are most essential, especially the latter, for line clearing and controlling local labour.

I regret that sanction was not first obtained from the Madras Government to entertain the two additional Lower Subordinates.

Regarding the menials, there are actually 5 men in excess of last years establishment, the increase being due to no provision being made last season for 2 khalasis to look after Government property in the main camp, cases of illness, and 2 personal men for the Forester and clerk.

I append below the various duties on which the men are employed and I am sure you will agree that my establishment has been

drawn up with due regard to the minimum of my requirements.

For self	3 peons (post, money, office etc)	
	5 Khalasis for field work	
	2 " for main camp	
	1 Khalasi for carriage of theodolite.	
For Surveyor	1 personal	
	2 chain men	
	3 Khalasis for instruments etc (trained men)	
For Forester	1 Personal	
For Clerk	1 Personal	
Grand Total	19 menials.	

The postal address of this settlement will be Bellanguedi from the 1st April 1922
